

Notice to Ratepayer:

SUPPLEMENTARY TAX BILLING

Enclosed is a Supplementary Billing for property taxes based on additional assessment received from (MPAC) Municipal Property Assessment Corporation. The reason for this additional assessment will be indicated on your tax bill on the left side of the bill in the centre. This does not include any prior assessment or taxes that you have been billed.

Please Note: Pre-Authorized Payments will not be withdrawn on the due dates for this billing.

Therefore, please remit payment via cheque, post-dated cheque, in the mail, at the counter, through your financial institution or telephone banking. There is also a drop box on the west side of the building.

Please Note: If a Mortgage Company is paying your taxes, it will be indicated on your tax bill at the top right corner of the bill. The Mortgage Company has been provided with a listing of the amounts and due dates. The enclosed tax bill is for your information.

Please retain your tax bill for filing your Income Tax Return.
