

2018 General Student Lottery

The columns titled Lottery # are the numbers generated by the computer random number generator based lottery system. The columns titled Application #, are the numbers assigned to the Summer Student Application as the application was received by Town Hall. In order to understand what your lottery number is, please find the number assigned to your application under column titled Application #, the corresponding number in the Lottery # column is your lottery number.

Only those chosen for an interview will be contacted. Thank you for your interest in working for the Municipality of Lakeshore.
