

2019 General Student Lottery

The columns titled Application # are the numbers assigned to the Summer Student Application as the application was received by Town Hall. The columns titled Lottery # are the numbers generated by the computer random number generator based lottery system. In order to understand what your lottery number is, please find the number assigned to your application under column titled Application #, the corresponding number in the Lottery # column is your lottery number. For example, if the number your application was assigned upon receipt of application was #10, your lottery number is #78. If you have any questions, please contact Town Hall for further clarification.

Only those chosen for an interview will be contacted. Thank you for your interest in working for the Municipality of Lakeshore.
