

The Corporation of the Town of Lakeshore

Terms of Reference

Flood Prevention Task Force

2019-2022

1.0 Purpose

- 1.1 The Flood Prevention Task Force shall be responsible for communicating areas of concerns with flooding that would allow the Town to better investigate aspects of existing drainage infrastructure, and resource allocation for the planning and identification of opportunities for improving flood prevention conditions in the Town.

2.0 Membership

- 2.1 Composed of a maximum of nine members of the public with representation from across the geographic area of the Town.
- 2.2 Two Council members, in addition to the Mayor as an ex-officio member, with one being appointed Chair of the Committee.

3.0 Responsibilities

- 3.1 Serve as a conduit between the Town and residents regarding flood prevention and gather feedback about flooding.

4.0 Meetings

- 4.1 The Task Force will meet monthly or at the call of the Chair.

5.0 Resources

- 5.1 The Manager of Engineering is the Municipal Liaison with the support of the Project Manager, Floodwater Defence Action Strategy and Plan.

6.0 References

- 6.1 None.
