

**TOWN OF LAKESHORE
NOTICE OF PROJECT COMMENCEMENT**

**ST. PETER STREET ROAD IMPROVEMENTS PHASE 2
FROM CHISHOLM STREET TO ELEVENTH STREET**

The Town of Lakeshore has retained Stantec Consulting Ltd. to complete the detailed design, contract administration, and inspection for a road improvements project on St. Peter Street in the community of Belle River. The project will be completed in two phases. Phase 2 from Chisholm Street to 11th Street will commence construction in the Spring/Summer 2018. The Phase 2 construction work will also include the replacement of a watermain along Chisholm Street from St. Peter Street to Notre Dame Street. The phase 1 construction work west of phase 2 is currently being finalized.

A Public Information Centre (P.I.C.) has been planned to provide further information to the public regarding the project and to receive input and comments. Displays will be available for review which outline the proposed project and limits. Representatives from the Town of Lakeshore and Stantec Consulting will be present to discuss issues and concerns. The Public Information Centre (P.I.C.) is scheduled for **Monday, April 23, 2018** at:

**Parish Hall – St. Simon and St. Jude Church
474 St. Charles Street
3:00 p.m. – 7:00 p.m.**
