OPTIMIST STREET
WATERMAIN REPLACEMENT

To replace the existing 150 mm dia. cast iron watermain with a new 200 mm dia. P.V.C. watermain approximately 430 m long plus 430 m of provisional road work. The project includes connections to existing watermains, water service connections, appurtenances, and restoration.

Complete tender documents may be obtained from the Town of Lakeshore Municipal office as of Monday, April 10, 2017 from 8:30 am to 4:30 pm.

A non-refundable deposit of \$50.00 is required and made payable to the Town of Lakeshore.

Sealed tenders, which shall be clearly marked with the project name, will be received by:

Purchasing Coordinator,
Town of Lakeshore
419 Notre Dame St.
Belle River ON N0R 1A0

Until 12:00 noon local time on:

Friday, April 21, 2017

On the same day, commencing at 12:05 pm local time, tenders will be opened and read publicly in the Council Chambers at the address mentioned above.

The Town of Lakeshore reserves the right to accept or reject any tender and that the lowest tender will not necessarily be accepted.

Any questions concerning the Tender should be addressed as follows:
