### **Brief Description of Works Being Tendered Out:**

---

This tender call is for the supply of all labour, equipment and resources to clean and/or excavate the Silver Creek Stormwater Management Pond in the Patillo Road Industrial Park. Sediment buildup is required to be removed to reestablish the design grade of this pond. The Manager of Public Works Services, or designate shall assist with providing the design grades to be met for successful completion of the required works.

The work shall commence on or about April 10, 2017 and shall be substantially completed by August 11, 2017.
