Brief Description of Works Being Tendered Out:

The contract is for the supply of all labour, equipment and materials required to apply a single lift of surface treatment on selected road sections, as identified by Public Works staff, all to the satisfaction of the Manager of Public Works Services, or his designate, and in accordance with all surface treatment application standards. The anticipated length of paved roads to receive spray patching is ten (10) kilometers. Based on available budget funds for this work, the Town of Lakeshore reserves the right to reduce or increase overall quantities by up to 25% without penalty to unit prices.

The Contractor shall diligently carry out the work to completion on or before **August 02, 2019**. Work shall only be done when suitable ambient temperatures are prevalent. The work shall commence at an agreed upon date between the contractor and the Manager of Public Works Services, or approved designate.
